**Re: Request for Extension - Ganymede Solar, LLC v. Dominion Energy South  
Carolina, Inc.  
Docket No. 2019-390-E**

Dear Ms. Hill:

Given the volume of filings submitted in this docket since the beginning of February, I am writing on behalf of Dominion Energy South Carolina, Inc. ("DESC") out of an abundance of caution to follow up on DESC's previously-submitted request for an extension of its deadline to submit direct testimony in the above-referenced docket.

Specifically, in correspondence (the "Request") filed with the Public Service Commission of South Carolina (the "Commission") on February 5, 2020, in the above-referenced docket, DESC requested that the Commission extend DESC's deadline to submit its direct testimony by five days from the later of (i) February 19, 2020 (the current deadline) and (ii) the date upon which Ganymede Solar, LLC ("Ganymede") submits adequate discovery responses in accordance with this Commission's rules and regulations. As explained in the Request, this extension is necessitated by Ganymede's refusal to submit adequate discovery responses from which DESC can prepare appropriate and responsive testimony.

Given the impending deadline for such testimony and the recent filings, DESC submits this letter as a courtesy since this request was contained in the larger discovery filings, and respectfully requests that the Commission extend DESC's deadline to submit direct testimony in accordance with the Request. If you have any questions, please do not hesitate to contact me.

Sincerely,

J. Ashley Cooper
